

# Flip Everything 2020

This year's state elections will decide democracy for the decade — and the Democratic Legislative Campaign Committee is working to Flip Everything in 2020!

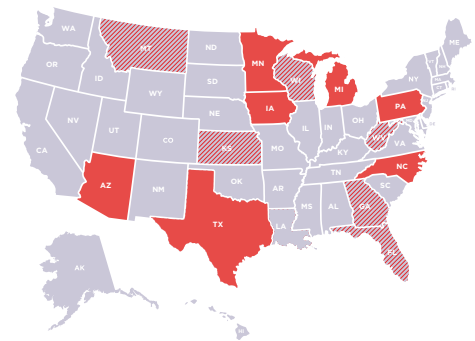

**Targets** The DLCC is working to flip seats in all 50 states — and is on complete offense, targeting more than a dozen chambers in 13 states.

**TARGETS:**

- Arizona House 2
- Arizona Senate 3
- Iowa House 4
- Michigan House 4
- Minnesota Senate 2
- North Carolina House 6
- North Carolina Senate 5
- Pennsylvania House 9
- Pennsylvania Senate 4
- Texas House 9

**EXPANSION LIST:**

- Florida House 14
- Florida Senate 4
- Georgia House 16
- Georgia Senate 8
- Kansas House 22
- Kansas Senate 10
- Montana House 9
- West Virginia Senate 4
- Wisconsin Senate 3

**Fundraising** In the last redistricting cycle, the DLCC spent just \$10 million — far behind Republicans. This cycle, we'll spend \$50 million, placing Democrats ahead of GOP state legislative efforts.

**Redistricting** Democracy is on the line this election. Once every 20 years redistricting coincides with a presidential election. In 2018, 122 million people voted; in 2020, we're expecting 156 million people to vote — a 28% increase in turnout and tidal wave compared to 2010 turnout.
